Encls Two estimates

Mysore, Dated 21-12-

From

THE MUNICIPAL COMMISSIONER
CITY MUNICIPAL COUNCIL
MYSORE

To

The Secretary to Government,
L.S.G. Department, ——→ BANGALORE.

(Through the President)

Sir,

I write to inform you that the estimates for water supply improvement works exceeding Rs.5,000 received from the Executive Engineer, Water Supply Division, Bangalore after sanction by the Council were being returned to the Executive Engineer, Water Supply Division, Bangalore, with a request to obtain sanction of Government The Executive Engineer was getting the estimates sanctioned by the Chief Engineer in view of the fact that Chief Engineer can sanction estimates up to Rs 10,000/-. Accordingly the amount of the sanctioned estimates were after audit being paid to the Water Supply Department as they are contribution works to be executed by that Department

Since a doubt is expressed in Audit that sanction of Government to the estimates exceeding Rs 5,000/- is also necessary vide Rule 241 (iii) of Municipal Manual in addition to Technical sanction by the Chief Engineer, I have herein enclosed the marginally noted estimates which exceed Rs 5,000/-

1) Laying a 3" C I submain in Kamatageri for improving water supply to Nazarbad Mohalla Rs 8,403/-	after Technical sanction by the Chief Engineer for
2) Laying 3" C I submain in Maharatta and Rajaput Block Rs 9,000/-	favour of kindly obtaining sanction of Government

early under rule 241 (iii) M A M These are contribution works to be executed by the Water Supply Department for which the

P T. O

the amounts of the sanctioned estimates will be advanced to the Department and ~~xxxxxxxx~~ adjusted on receipt of outlay statements

Yours faithfully,

Municipal Commissioner

Forwarded with compliments,

President
